ABOUT EMBERHOUSE

Emberhouse Media Group is a video production company specializing in cinematic brand stories, corporate communications, testimonials, documentary-style content, social media video, internal communications, and commercial production. We work with businesses and organizations to create video that is visually polished, strategically focused, and built around a clear objective.

CORE CAPABILITIES

- Brand and corporate films
- Customer testimonials and interviews
- Internal and training content
- Documentary-style storytelling

PRODUCTION + POST

- Social and campaign content
- Aerial cinematography
- Cinematography and lighting
- Editing, color, sound and finishing

PRODUCTION APPROACH

Every project begins with the audience, message, and intended outcome. Emberhouse combines creative development, experienced cinematography, thoughtful lighting, professional audio, and a refined post-production workflow to create work that feels cinematic without losing sight of the business objective.

HOW WE WORK

✓ **DISCOVER**
Define the objective, audience, message and intended outcome.

✓ **DEVELOP**
Shape the creative direction, story, scripting, logistics and schedule.

✓ **PRODUCE**
Capture with a production package scaled to the story.

✓ **FINISH**
Edit, color, sound, graphics and final delivery.

COMPANY FACTS
